

CORINTH NEWS

SUMMER 2018

Town Office Hours
Closed Mondays
Open Tuesday thru Friday
7:30 a.m. – 6:00 p.m.
285-3271 FAX 285-7529

Dear Corinth Residents,

As we move from Spring into Summer we have a lot going on here in Town. We have just completed the purchase of the "Patterson" property to give us room for the expansion of the Fire Station and would like to thank Janette Jackson, Eleanor Kidwell, and Marie Gass for accepting the Town's offer on the property. With that, the Fire Station work is moving as efficiently as it can and we should be in the bidding process by the time you receive this Newsletter. We are happy to be starting to revitalize Main Street!

Road work planned for this Summer: The Ridge Road will be shimmed to bring back the road profile, then will be chip sealed. Compared to asphalt, chip seal extends the life of our pavement more cost effectively.

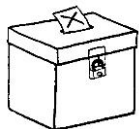

Overlay will be done on the east end of the White Schoolhouse Road, middle section of the Black Road, south end of Ledge Hill Road, West Corinth Road from Rte 15 to the Black Road, and another section on the west end of the West Corinth Rd (amount done on this section depends on cost).

The Correctional Facility has been cutting brush and trees on sections of the Grant Road and Black Road. This saves the Town money and opens the roads up, making them much safer.

Many thanks go to all who helped with this year's Roadside Litter Clean-up. Volunteers spend many hours helping keep our Town looking nice.

I hope everyone enjoyed picking the great crop of fiddleheads this Spring and that all enjoy the coming Summer!

Travis Gould, Town Manager

STATE OF MAINE PRIMARY AND SPECIAL

Summer Burning

With the Summer Burning Season upon us, some quick reminders:

Cooking and Warming Fires are the only Fires that do not require a permit; all other outdoor Fires need an Open Burning Permit from the Corinth Fire Department.

Permits are available at the Fire Station Monday thru Friday 8 a.m. to 5 p.m.

Permits for the Weekend need to be obtained on the Friday of the Weekend Burn.

Burn Permits are only issued on Fire Class Days of 1 or 2, No Burning is allowed on Class 3 or higher days.

Burning on Class 2 Days is usually after 5 p.m. Fire Weather can be obtained at WWW.Maineburnpermit.com

There is no cost for Burn Permits.

If You Can Not get to the Station, call 285-3303 and a Permit can be brought to your site.

Burning without a Permit is a Class C crime and is punishable by a Fine and Jail Time.

Respectfully Submitted,
Scott Bragdon, Fire Chief

Corinth Recreation

The Spring sports season has started and we have over 100 kids participating on instructional teams as well as league teams for softball and baseball this year. Coaches have been practicing with the kids weekly and will continue thru late June to early July when the season ends. The league teams started playing games the week of May 21st. Softball season will end the weekend of June 23-24 and baseball season will end the weekend of July 14-15th.

If you attend any of the games please be considerate of where you are allowed to park in the parking lot. There are always a lot of people around and we need to keep access to the driving area open at all times. There is a parking lot across the street by the old Corinth Products building that you can use as well. Also please do not park in spots by the town office entrance as these should be available for customers until 6pm. Thanks for helping us with this.

Summer recreation will start at the end of June and continue thru early August. This is a great program that offers crafts, sports and other activities along with various weekly field trips. For additional details or if you have any questions please contact the Rec Department or Town Office and be on the lookout for the Summer Rec permission slips to get your children signed up.

Seniors be on the lookout for another opportunity this Summer to take a day trip. Plans are being made and information will be available at the town office. Take the opportunity to enjoy a great Summer day to just get away and enjoy what Maine has to offer.

Lastly, soccer and field hockey signups **will be in early August**. Permission slips will be mailed in mid July to give you 3-4 weeks to get your children signed up. We offer soccer for instructional (K-1st grade) and league teams which comprise 2/3 grade and 4/5 grade teams. If interested in helping coach please let us know by marking that on the permission slip as we are always in need of volunteer coaches. For field hockey ages will most likely be K-6th grade, but watch for permission slips to determine if your child is old enough to participate.

To keep up to date on any other Rec information you can join our facebook page **Corinth(Maine) Recreation**. Have a great Summer!!

Paul Speed, Rec Director

First of all, I would like to address an issue that has little if anything to do with the Transfer Station...my writing skills. Ok, I guess the actual issue is my lack of writing skills. A few of the customers that bless us with their presents are current or former educators. They seem to be shocked that english composition is not the number one item in the skill set of the guy that runs the Transfer Station. Let me say this about that.....K. I like to think that I can handle a little criticism (could be wrong) and would like to request that those of you out there that are so inclined, make a copy of this, or any other letter, and make any corrections or comments that you feel may be useful to me. Please make corrections in red ink if available. That should keep ya busy.

Recycling cans. Pretty simple stuff. Steel or aluminum is fine, labels are ok, gobs of stuff stuck to them is not. So, you use the can, rinse it out, leave the label if you want to, (the label could go in the mixed paper) and flatten it. The biggest problem we have is the flatten part. I did a very non scientific test with a cat litter bucket and bunch of cans and figured that, if they had been whacked with a reasonably heavy object (I use my foot) we could get about five times as many cans in a given space. We have a heavy metal object here at the Facility for those of you who don't have one of your own or don't have the mass to back up their foot. Anyway, (math teacher alert) if the cans take up one fifth the space then we only have to transport them twenty percent as often and it saves tax dollars. (That sentence should bring out the red pens.)

We still have compost that is cooking very nicely and is available to CPSWF members at no cost.

Next scheduled day of closure is Wednesday, July fourth.

(I think I've already spotted five mistakes.)

Allan Lord
Facility Manager

Corinth Historical Society

Corinth Historical Society is dedicated to the discovery, collection, & preservation of Corinth, Maine's culture & history.

Memberships start as low as \$10/ year. Your dues support the discovery, preservation and sharing of the history and culture of Corinth.

“Alone we can do so little, together we can do so much”

TO JOIN: Stop by the museum (306 Main St)

Wed. 2 – 7pm or Sunday 1 – 3pm, else write

STRAWBERRY CREAM SLUSHIES

2 CUPS STRAWBERRIES
1 ½ CUPS ALMOND MILK
1 tsp VANILLA
1-2 TBSP MAPLE SYRUP (May need more depending on sweetness of the berries)

Recipe Directions: Place strawberries & almond milk into the blender and blend until combined; place the rest on the ingredients into the blender and blend until mixed. Once done, serve in tall glasses with a straw in each.

TOWN WIDE YARD SALE

This year's Town Wide Yard Sale will be held on Saturday and Sunday, June 23rd and 24th. Hurry up and gather that "stuff" up and call the Town office to have your location put on the map— you don't have much time left to prepare!

The Corinth Boston Post Cane was recently presented to Phyllis Broad in a ceremony which also celebrated her 97th birthday. Family and friends were there to share the occasion with her.

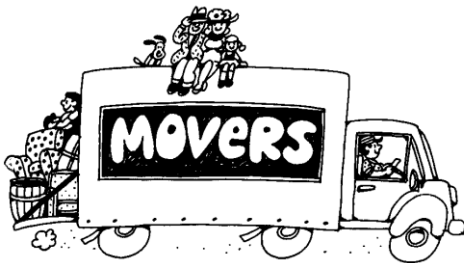

Congratulations Phyllis!

Photo courtesy of her family

****ATTENTION NEW CORINTH RESIDENTS****

Please stop by the Town Office and update your address on your vehicle registration -it's FREE!! You will need to bring something "official" showing your new Corinth address (a bill, new deed/lease, bank statement, etc). If you are a new Maine resident the State requires that you apply for a Maine license and register your vehicles in Maine within 30 days.

Along the same lines, if you purchased a home here please be sure that your new address is added to your Real Estate account once you have actually moved into your new home here in Corinth. The address you had when you signed the purchase paperwork is the one put onto the account when it is changed to your name and we need to hear from you if that needs to be updated.

WELCOME TO CORINTH!!

2018 Corinth Senior Citizens Bus Trip

On **Thursday, August 9, 2018**, there is a day trip planned for Senior Citizens from Corinth, ages 60 or older, with Cyr Bus Lines. We will be traveling to the coasts of Stonington and Brooklin, Maine. We will be having lunch (which is on your own) at the Stonecutters Kitchen in Stonington, visiting the Deer Isle Granite Museum, visiting Billings, a family owned Maine boat yard since 1928 and also stopping at the Brooklin Boat Yard, which since 1960, has specialized in custom design and new construction of wooden boats as well as quality maintenance, repair and restoration of many classic yachts. These boat yards are very well known.

If you are interested in going on this trip, please **sign up at the Town Office with a \$5.00 non-refundable deposit by July 27**. We will be **departing at 9:30 AM** from the parking lot of the Town Office. First come, first served basis for 54 passengers.

SELECTED BENEFACTORS AND NOTABLE CITIZENS

By Corinth Historical Society, published 2011 in the Corinth Bicentennial Booklet

FREDERICK ORRIN BROWN was the son Cyrus Brown of Ellsworth and Josephine (Parker) Brown. Although the birth place of Fredrick Brown is not certain, his parents were married January 1, 1859 in Corinth. Additionally, Josephine (Parker) Brown's family resided in Corinth for generations and can be traced back to the original owner of the Parker House, Anderson Parker. Even though, the record of Frederick Brown's birth has not been found, Census and death records indicate that he was born in Maine.

Frederick Brown was a prosperous businessman specializing in the wholesale shoe manufacturing business. Frederick traveled extensively but continued to return to his home on Main St. in Harwich, Massachusetts. At age 34, he married Kathryn L (Lohne) Brown. Kathryn died of kidney failure October 26, 1924. Tragically just two months later, on December 29, 1924, Frederick died as a result of an automobile accident at age 63. His will provided for his family members until his last remaining cousin, Ellen M. Coggins of Corinth, died January 29, 1941. After the death of his cousin, it was his Frederick Brown's wish to provide for the citizens of Corinth as a token of his appreciation to the town that his family had called home.

(The above article was provided by the Historical Society and is the first of several that we will include in our Newsletter when we have space available- our thanks to the Historical Society!)
